For a Review of Results request or any other post results services please contact the Exams Office for the procedures that need to be followed, to ensure a successful post result service request.

Unfortunately, no post-results request can be processed until the completed Consent Form has been returned to the Little Heath Exam Office and payment for the post-results service has been made via ParentMail.

Please note that the dates listed for each post-results service are the final deadlines. Any forms or payments received after the relevant deadline cannot be processed.

The Exams Office would be grateful if all post-results requests could be returned as promptly as possible, well in advance of the deadline date. This will allow sufficient time for us to process and submit your request to the exam board, before the final deadline date stated above
