

Getting organised for Year 11

Rebecca Whitford
Assistant Headteacher

rwhitford@littleheath.org.uk

Aims

- 😊 To identify some strategies to help your child get organised for year 11
- 😊 To share some key information that your child should know about each subject they study
- 😊 To provide some practical tips for getting organised, which you can share with your child
- 😊 To provide you with some example revision schedules

Why?

Before your child even thinks about how to get organised, they should consider why they need to study.

- What is motivating them to work?
- Do they know what they want to do after their GCSEs?

Education Business Partnership
invites your school to attend

DESTINATIONS EXPO

WEST BERKSHIRE'S LARGEST
INTERACTIVE CAREERS FAIR

This is a fantastic opportunity for your students to meet with and question up to 75 local employers and pathway providers who are actively recruiting young people in the area, right now!

The event is open to Year 11-13 and free coach travel will be provided for West Berkshire & North Hampshire Schools.

*"Destinations Expo is so important for students to start engaging with professionals, but also for employers to identify interests from their future workforce."

How can you help your child to get organised?

Some things to consider:

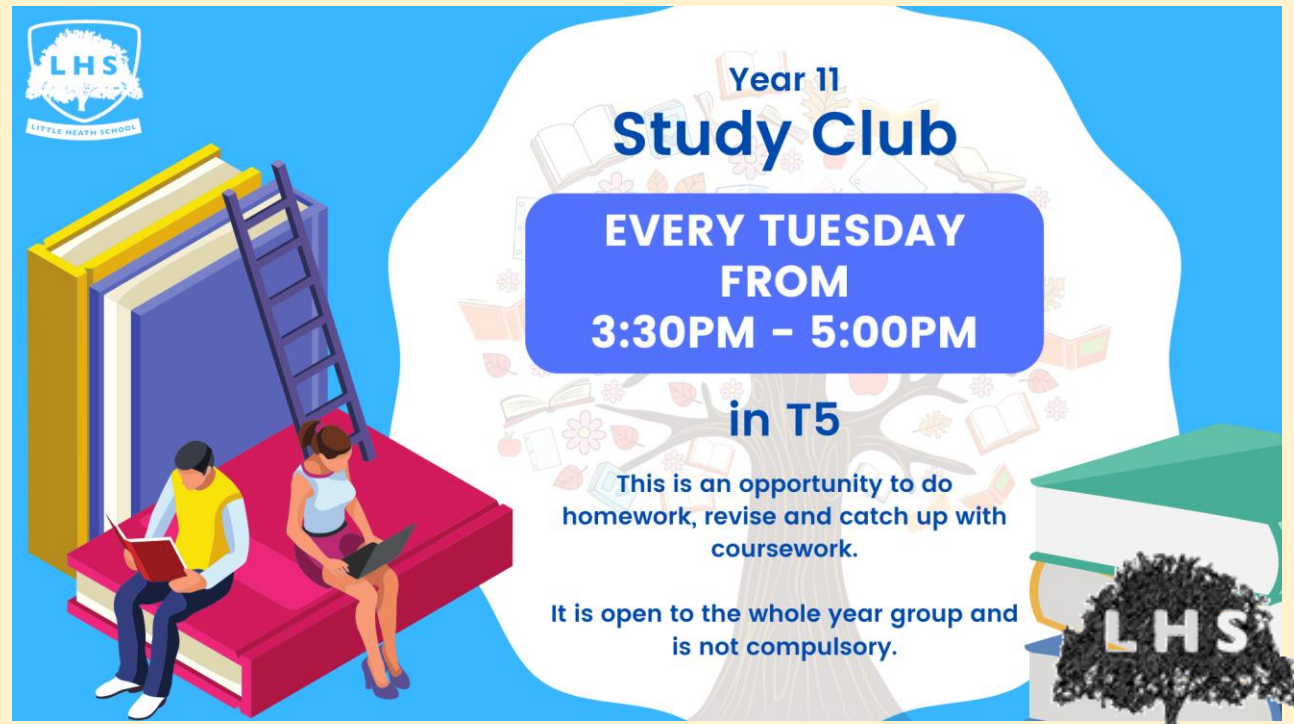

- ✓ Support with organisation + planning how they use their time
- ✓ Support with creating and following a revision timetable
- ✓ Modelling / signposting revision strategies + study skills
- ✓ Ensuring that they have access to the correct equipment + resources
- ✓ Provide access to online study resources

How can you help your child to get organised?

- ✓ A workspace at home where they can work without distractions
- ✓ Pen, pencil, highlighter, ruler, maths equipment
- ✓ Paper / notebook
- ✓ Revision timetable
- ✓ Access to computer / tablet

- ✓ Year 11 study club!

The poster features the LHS logo in the top left corner. The main title is 'Year 11 Study Club' in a large, bold, blue font. Below this, a blue rounded rectangle contains the text 'EVERY TUESDAY FROM 3:30PM - 5:00PM'. Underneath, it says 'in T5'. A paragraph of text reads: 'This is an opportunity to do homework, revise and catch up with coursework.' At the bottom, it states: 'It is open to the whole year group and is not compulsory.' The background is blue with a white cloud-like shape containing icons of books, a tree, and a building. In the bottom right corner, there is a small illustration of a building with a tree in front of it, also featuring the LHS logo.

Advice for Year 11 students

For each of your subjects, make sure that you know:

- ✓ All deadlines, if this is a coursework subject
- ✓ Dates of any practical exams, which fall outside the main exam period
- ✓ Dates of your PPEs and final exams
- ✓ Which exam board / specification you are following
- ✓ Which aspects of the course will be in each exam, and how they are assessed (your teacher will give you PLCs for each subject)
- ✓ Details of any revision / intervention sessions that will be taking place in school
- ✓ Details of any revision materials that have been signposted by your teacher

You will need to find out this information in advance of the calendared PPEs and the main exam period

Personal Learning Checklists (PLCs)

Advice for Year 11 students - getting organised

- ✓ Find out when your **exams** are for each subject during each exam period (PPEs / GCSEs)
- ✓ Put these dates in your calendar
- ✓ If you have more than one exam per subject, check which topics / skills are covered in each paper
- ✓ Block out times when you know you will be **busy** doing something else.
- ✓ Add in any **school-based revision sessions**
- ✓ Decide how many hours each day you want to allocate for **revision** (be realistic – you need a balance of revision, leisure time and rest)

Advice for Year 11 students - getting organised

Once you have planned these **elements**, you will know how much total revision time you have available to you.

The next step will be to plan out how you use this time

Consider:

- Which subject /paper needs the most revision?
- Why?

Studying independently

- ✓ Studying at the same time every day helps you build a routine, making it easier to get started
- ✓ Choose a quiet place to work
- ✓ Make sure you have everything you need
- ✓ Do not attempt too much study at once. Start with 15 minutes of study, then a 5-minute break, then another 15 minutes
- ✓ At the end of each session, sit for 1 minute and reflect on your learning. This is a key technique for deep learning.

Top tips for using online revision resources

- ✓ Check which exam board + specification you are following
- ✓ Your teacher will signpost specific revision resources that they would like you to use – save all of your logins in one place, to help you stay organised!
- ✓ There are also lots of really useful videos on YouTube with tips on study skills for GCSE students
- ✓ Each department will signpost the relevant online revision resources - [Online revision resources.docx](#)
- ✓ Study guide books are also available – talk to your class teacher to find out which one is most appropriate for your course
